

The U.B.C. Witzend Special Challenge

Course of Fire

Any airgun may be used for this competition; rifle or pistol, spring, CO2, pcp, airsoft.

The target will be shot from a range of 6 yards and must be engaged from a SEATED position. Arms and pistol / rifle may NOT be rested in any way.

There is no time limit for this competition.

10 shots are to be fired.

5 shots directed at the head (red outline).

5 shots directed at the body.

Scoring

Is inward and no more than 5 shots can be scored on either the body or head (hits cutting both head and body can be allocated to whichever area gives the best overall score but cannot be allocated to both).

Penalties

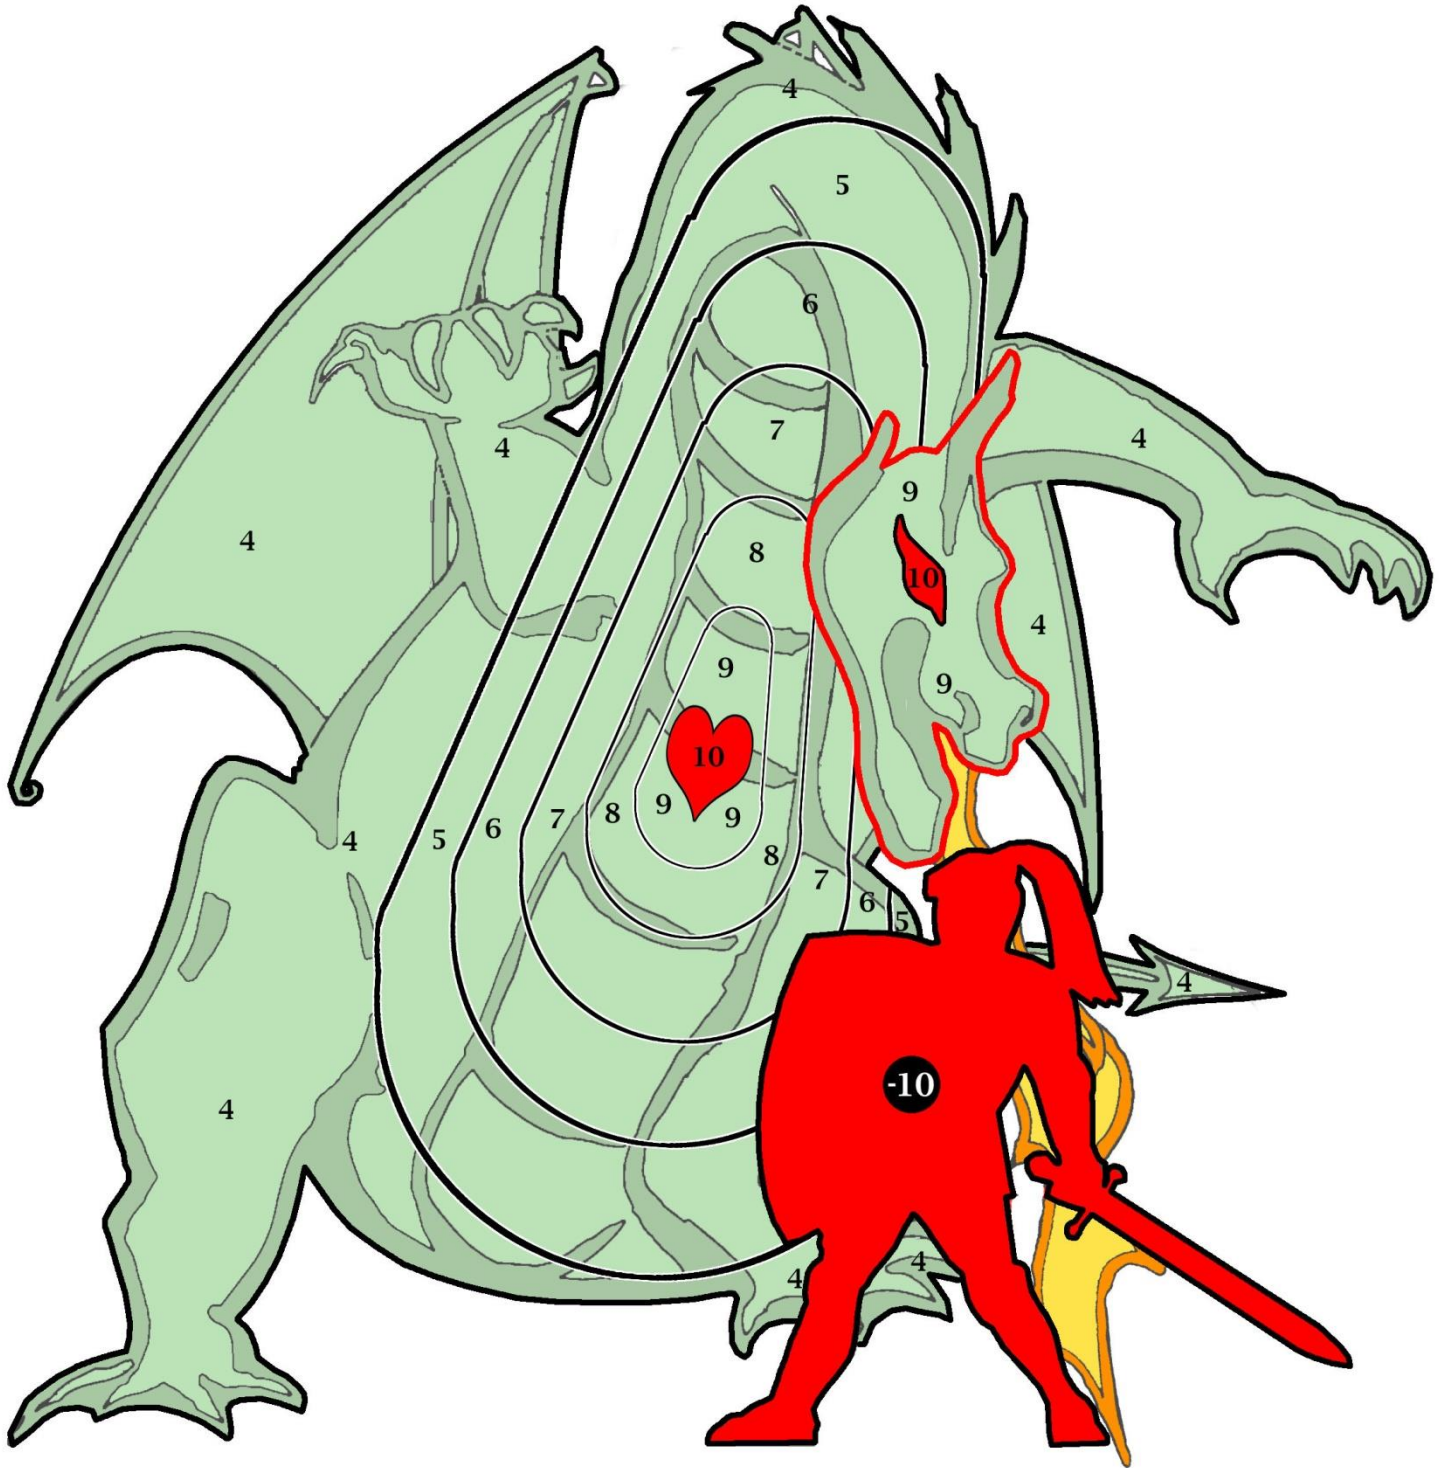

Each hit ANYWHERE on St George (the red knight including the black outline) counts as a minus 10 penalty and you DO NOT COUNT ANY DRAGON SCORING AREA if the hit should overlap both the dragon and St George.
