

# UBC Vintage and Open Class Competition Rules

**Type Vintage:** Spring / Single /Multi Stroke Pneumatic / Co2.

Competitors can have as many pistols & rifles, as long as the Air guns are out of production after 1986. You can submit as many air guns within the competition date.

**Type Open Class Rifle:** Spring / Single /Multi Stroke Pneumatic / Co2.

Competitors can have as many rifles, as long as the Air Rifles are classed as a 'Plinker' & not a target style based Rifle. You can submit as many air guns within the competition date.

**Type modern Target Rifle 10m Optical / 6 yd Open Sight:** Spring / Single /Multi Stroke Pneumatic / Co2 / PCP.

Competitors can have as many rifles, as long as the Air Rifles are classed as a modern target style based Rifle. You can submit as many air guns within the competition date.

**Range & Sights:** Open sights ~ 6yd & Optical ~ 10m

**Stance Rifles:** Standing & unsupported.

**Stance Pistols:** Standing, Unsupported & either 1 handed or 2 handed

**Target:** Use any of the attached targets – the halftone versions might save on inks.

**Shots:** 10/15 practice shots. The Competition is 5 shots per target maximum score of 60

**Date:** Once a Month from Saturday - following Sunday. See [Calender](#) for exact dates. If unable to submit scores on that week, you can submit scores early saving you missing that round.

**Scoring:** 1) Score OUTWARD on the Bull only as the original target had a hole to shoot through to ring the bell.

2) Score INWARDS on the other rings (2 to 5)

3) Any shots outside the 2 ring score zero

**Submitting Scores:** Once you have completed your target send your scores using our new Score Card to me at [ubc.competition@googlemail.com](mailto:ubc.competition@googlemail.com) . I shall make the scores public on the Sunday/Monday after the competition.

**Leader Board:** Each month your total score will be added up. After the Final round of the season the person then with the highest score in each category will be the winner.
